BASKETBALL TEAM MORE OPTIMISTIC
Combating illness as well as their opponents, the Carroll Lady Saints are swinging into the final few weeks of the season. Both the men's and women's teams suffered from the recent outbreaks of colds and flu, and both teams are finally back at full strength for the closing of the conference season.

The Lady Saints have been paced this year by several individuals, but the whole team is contributing to the efforts. Some of the leaders in the stats following 18 games include: Wendy Sears, a Great Falls sophomore, who leads the Saints in scoring. Wendy set a new school record against Montana Tech a few weeks ago, scoring 42 points in a single game, and was named MVP. The team is currently in the playoffs and is looking to advance to the state tournament.

Crying our tears, mourning our loss
Questioning God, imploring why
Confused and scared we turn and toss
Yet still it's true that Mikie died.

My tears are weak or so they say,
A man is strong and does not cry,
They scornfully send me away
Yet still it's true that Mikie died.

I try to stand up tall and true
Not feeling death, It's hand so cold
Yet still my heart aches as I do
My friend Michael was not that old.

So with my tears so wet I cry,
for still it's true that Mikie died.

1935 Earthquake

Whos is she that stands triumphant,
 Rock in strength, upon the Rock,
 Like some city crowned with turrets,
 Braving storm and earthquake shock?
 Who is she her arms extending,
 Blessing thus a world restored.
 All the anthems of creation
 Lifting to creation's Lord.

Student Life

As students of a small school, we often fail to notice those who surround us. We see these people, yet we really do not notice them. A vast segment of life at Carroll passes by without any attention. In the following section, we have tried to show the variety of life that thrives around us. We hope that you see yourself; more importantly, we hope that you see something that you hadn't before. Enjoy ...

This year's intramural football Championship went to the women of 3rd New. The victors successfully conquered and equally impressive opponent, 2nd New.

This year's competition brought forth eight teams among which were participants from, St. Charlie's Guadelupe, and St. Alberts Halls, in addition there was one off campus team. The action was fast and often brutal. Among this year's casualties were Donna Wulf and Teddi Gartner, both having their competitive spirit dampened by ankle injuries accompanied by crutches.

A sample of the line-up from the Championship team. Looking over his team, Coach Kelly Kniep ponders his future in his new found career.

Champlonship Team: Back row: Gerard Byrd, Ovila Byrd, Greg Byrd, Guy Byrd, Mark Condon. Front row: John Manix, Monte Kohler, Tom Walsh, "Tinker" Owens, Rob Crandall. Missing from photo: Chris McCartin and Mike Kelley.

Intramural Volleyball

Championship Team: Back row: Monte Kohler, John Ramirez, Mike Kelley, "Tinker" Owens. Front row: Cathy Wallace, Kathy Beachler, Joan Mahon.

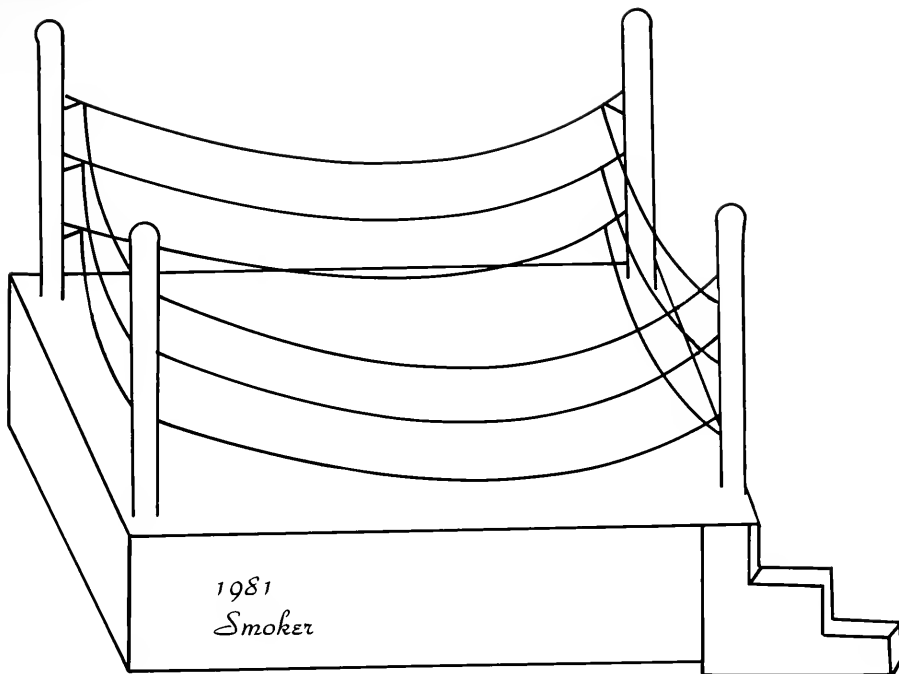

Not unlike past years, the 1981 Men's Intramural Basketball see some furious competition. Intramural action kept the physical education facilities busy from late January until April with 3 on 3 and 5 on 5 competition.

This year's extracurricular activities were organized by Monte Kohler for the third year, with the assistance of Tom Walsh.

Some of the teams included: The Heroes, The Coral Reefers, The Moon Martins, and The Stormtroupers. Individual team members of the winning 5 on 5 team included Tom Broxterman, Mike Eiseman, Tom Fischer, John Heffner, Mark Lund and Joe Rossman.

Dances

It has been said that there is a dance at Carroll College every time the Pope says Mass. Although this is a slight exaggeration, dances serve as a major form of entertainment. During the first semester, in addition to the dances held in the Lower Commons, there are the more formal dances such as Homecoming and Screw-Your-Roommate. The second semester is highlighted with the Winter Formal, the Sadie Hawkins Dance, and the Spring Formal.
